AZARGA METALS ANNOUNCES NON-BROKERED PRIVATE PLACEMENT

September 8, 2026 – Vancouver, B.C. – AZARGA METALS CORP. ("Azarga Metals" or the "Company") (TSX-V:AZR) is pleased to announce a non-brokered private placement (the "Private Placement") of up to 13,888,889 common shares ("Shares") at a price of \$0.18 per Share, for gross proceeds of up to \$2.5 million.

Finder's fees may be payable on the Private Placement, subject to the acceptance of the TSX Venture Exchange (the "**Exchange**").

The Company intends to use the proceeds of the Private Placement to advance its exploration program on the Company's 100% owned high-grade copper-rich VMS Marg project located within the Keno Hill Silver District of the Yukon Territory and general working capital purposes.

The securities issued in connection with the Private Placement will be subject to a four-month and one-day hold period under applicable securities laws. The Private Placement is subject to certain conditions including, but not limited to, the receipt of all necessary regulatory and other approvals including the approval of the Exchange.

Forward Looking Statements

This news release contains forward looking statements within the meaning of applicable securities laws. The use of any of the words “ambition”, “estimate”, “concluded”, “offers”, “objective”, “may”, “will”, “should”, “potential” and similar expressions are intended to identify forward looking statements. In particular, this news release contains forward looking statements concerning the completion of the Private Placement, the intended uses of the proceeds of the Private Placement, regulatory acceptance of the Private Placement, and the results of exploration on the Marg Project. Although the Company believes that the expectations and assumptions on which the forward looking statements are based are reasonable, undue reliance should not be placed on the forward looking statements because the Company cannot give any assurance that they will prove correct. Since forward looking statements address future events and conditions, they involve inherent assumptions, risks and uncertainties. Actual results could differ materially from those currently anticipated due to a number of assumptions, factors and risks. These assumptions and risks include, but are not limited to, assumptions and risks associated with the state of equity financing markets, and results of future exploration activities by the Company. Management has provided the above summary of risks and assumptions related to forward looking statements in this news release in order to provide readers with a more comprehensive perspective on the Company’s future operations. The Company’s actual results, performance or achievement could differ materially from those expressed in, or implied by, these forward looking statements and, accordingly, no assurance can be given that any of the events anticipated by the forward looking statements will transpire or occur, or if any of them do so, what benefits the Company will derive from them. These forward looking statements are made as of the date of this news release, and, other than as required by applicable securities laws, the Company disclaims any intent or obligation to update publicly any forward looking statements, whether as a result of new information, future events or results or otherwise.
